My background in financial markets and psychology has provided me with strong analytical skills. After redirecting my career toward technology and graduating in Web Application Development (DAW), I am looking for my first opportunity as a developer to provide solutions and grow with the team.

EXPERIENCE

Internship at Jaque Digital 02 – 04/2026
Design and implementation of one invoice automation workflow with n8n and external API integration.
Agent-assisted development of accounting and authentication modules for an internal ERP, applying modular architecture.
Research and requirements analysis for state and regional tax filing.

Quality Control Technician at Industrial Sagarra S.A. 2017 – 2021
Waiter and Kitchen Assistant at Ca l'Antonieta 2017 – 2019

EDUCATION

CFGS in Web Application Development | ILERNA 2024 – 2026
High School Diploma | Ins Vescomtat de Cabrera 2014 – 2016
